Details	In fiscal 2021, even though sales unit prices will decrease with the drug price revision to be executed in April in the Japanese market, the sales volume of generic drugs is expected to continue growing steadily with new products to be launched on the market upon the expiration of patents for original drugs. On the other hand, severe competitive is anticipated to continue in the U.S. market with factors including the negative impact of the COVID-19 pandemic. Under such management environment, Sawai Group Holdings will aim for steady growth in both the Japanese and U.S. markets by bringing together the capabilities of various departments across the group companies under the three-year mid-term management plan starting this fiscal year.					

Forecast of Dividends for Fiscal 2021

	Annual dividends [yen]
